FESTIVAL OF
LITURGY
& MUSIC

FRIDAY 29TH JUNE - SUNDAY 1ST JULY 2018
ST MARY LE TOWER, IPSWICH

Welcome from the Vicar

We welcome you warmly to this, our second, Festival of Liturgy & Music. We hope that you will enjoy very much your participation in the services and concerts being held this weekend.

Our congregation is drawn from all around the Ipswich area, coming from a variety of backgrounds and Christian perspectives.

We seek to live out the Christian faith in today's world, learning from Jesus Christ who is our Lord and Teacher, thinking progressively, serving people in Christ's name, and celebrating Christian pilgrimage richly in liturgy and music.

Choral music is at the very heart of our community. It offers an accessible and rewarding way to discover the presence and love of God for congregation and musicians alike. It brings people together of all ages in deeply inspiring ways. And crucially for a growing church, it offers young people leading roles within their Church, in which they can grow in faith as well as musicianship.

We do hope you will join us whenever you are able, both during the festival and throughout the rest of the year.
